Kindergarten Presentation: Opening prayer by Kindergartener and the class sang.

Welcome and Prayer: Joseph Duron

School Business: Just a reminder, if you'd like to visit for lunch or deliver food, please check in with the office first and pick up a badge. Also, Fridays are a great time to come and have lunch with the kids.

Introductions: Linda Ligon

- Introduced School Board members: Vice-President Jerry Hogan, Johnece Marchbanks (also the Art teacher), and James Rossier.
- Thank you to Joseph and Kristi Duron for volunteering to head up the FOC this year.
- A special thanks goes to (the previous president) for all she did as President last year.
- Also introduced Mrs. Gomez and Mrs. Ferguson. Mrs. Rickaway, Mrs. Hartman, and Mr. Allen were out of the room babysitting for us.
- Talked about Science Academy- organized by Brad and Betsy Fritz.
- Special note: Mrs. Gomez and Mrs. Ferguson could use some help with after-school care and we still have other volunteer opportunities. Science Academy needs about 3 people to make phone calls throughout the year.
