DECEMBER

18-Christmas Program(7:00pm)

19-Parties and Early Release

20-Jan. 4-Christmas Holiday

FRIDAY LUNCHES-DECEMBER

14-Chicken Express

SCIENCE ACADEMY

On November 30th, the science academy presenter was Lori Atkins (Cody's Mom). She is a veterinary technician. She talked about blood and all of its components-red cells, white cells, platelets, and plasma. She had lots of pictures of blood under the microscope to illustrate these parts. Did you know there are many different kinds of white blood cells? Also, blood cells look different among animal species. Finally, the children learned to draw a diagram of how blood flows through the heart and to/from the lungs and body. Thanks so much, Mrs. Atkins!

UNIFORMS

The Cougar Friday shirts are on order and on their way. They should be arriving shortly after Christmas. Thank you for all of your patience!

A FEW OF THEIR FAVORITE THINGS

Christmas is coming up soon, and some of you may be wondering what to get for your child's teacher. Hope this will help!

Mrs. Rickaway

Color – Pink

Store – Kohl's

Books – Children's books
