### CHURCH PANTRY FOOD DRIVE

For the month of February, please send cans of spaghetti sauce (no jars) for the Church Pantry. Make sure the expiration date has not expired. You can drop the spaghetti sauce off with your teacher or at the office.

### FOC MEETING RESCHEDULED

There will be an FOC meeting at 3:30 in the parlor this Thursday, February 28<sup>th</sup>. Childcare will be provided. All students need to go to extended care and parents need to pick their children up immediately after the meeting from the gym.

### UNIFORM EXCHANGE

At our next FOC meeting February 28<sup>th</sup> at 3:30, we will be having a uniform exchange before and after the meeting. Bring all of your old uniforms labeled and ready to sell. If you need uniforms, come ready to buy. We hope to see all of our parents there as we prepare for the Cougar Run!

### KINDERGARTEN KORNER

The Kindergarten class is really learning to read. They are now learning diagraphs (blends) like br, pr, tr, fl, and fr, as well as special sounds like "y" sometimes says the long sound "i" and "ay" says the long sound of "a".

In Math, Kindergarten is learning before and after numbers. Also, they are studying time by the half and the quarter hour. The students enjoyed learning about the ruler and had fun getting to measure items in the classroom.

Students have been studying Asia in Social Studies. Last week they made fried rice and ate with chopsticks. The girls dressed in a Chinese dress and the boys in a Chinese dragon robe. Mrs. Rickaway got some cute pictures. In addition, the class learned facts about Thailand and got to taste sticky rice and chicken, a Thai dish. The girls got their picture taken in Mrs. Rickaway's Thai dress that she wore as a young girl. The boys got their picture taken dressed in a Thai farmer's shirt and a farmer hat. Ask the children to tell you how to say hello in Thai and in Chinese. Thursday, Shirlyn's dad spoke to the class about Korea. It was a special treat to have a speaker come talk to the class. Thank you Shirlyn's Dad!

The Bible lesson this week has been about Jesus healing the paralytic. The students will do well on their memory verse this week because they have been working hard to learn it.
