CALLING ALL DESSERTS

Please begin turning in your desserts for the dessert auction Saturday, November 17th, from 12:00 until 5:00 in the Church kitchen. You may also turn in desserts Sunday morning beginning at 8:30 am. Don't forget that presentation is a big part of the attraction. Please bring your desserts dressed for success! If you need help, Mrs. Atkins will be here to help you dress up your desserts. If you have refrigerated desserts, please wait to bring them until Sunday morning. If you have contacted a business to bring a dessert but are unable to pick that dessert up on Saturday and bring it to the Church, please let us know ASAP and we will have our parent volunteer pick it up for you.

KINDERGARTEN KORNER

Have you seen the turkeys that the Kindergarten class has made? They have been learning Thanksgiving songs and studying the pilgrims, Mayflower and the first Thanksgiving. They also only have a few more Alphabet letters to learn before they are done! Then they will begin learning their long vowels. They are already becoming experts at reading words and short sentences! In Math they are working hard to learn their numbers 1 to 100 before the 100th Day of School! So, right now numbers has been the main focus in Math. This week the Kindergarten class had fun acting out the story of Esther in Bible class.

THIRD GRADE THOUGHTS

Each parent is asked to bring individually wrapped goodies that will sell for a quarter each to support Habitat for Humanity. We also need two parents from each class to volunteer to sell the goodies. The classes' responsibilities will be as follows:

2nd Grade – Nov. 16

3rd Grade – Nov. 30

4th/5th Grade – Dec. 7

Dec. 14th is yet to be decided

EVERY MINUTE OF EVERY DAY ALL TO THE GLORY OF GOD!!

SCIENCE ACADEMY

The Science Academy speaker on November 2nd was Randy Sparks, -----'s Dad. He is a computer network technician. He talked to the kids about what the internet is, rule for using the internet, and the kind of information you can find on the internet. Then the kids got to be part of a network in the classroom. They used string instead of wire. They also used magazines for the information. They saw how complicated it really can be to keep a network up and running. Thank you Mr. Sparks for a wonderful presentation, and for keeping the internet working for us to use!

UNIFORM UPDATE

Due to some unforeseen circumstances, our uniform orders are running a little behind. The Friday Cougar shirts have been placed on hold indefinitely. All other orders should be in soon. We will determine what will be done about the Friday Cougar shirts sometime after the Thanksgiving Dinner and Auction are over. So please stay posted.

CRANBERRY SAUCE UPDATE

Thank you to everyone for all of the cranberry sauce. All classes got their cranberry sauce in and were able to wear any shirt they wanted to on Friday. Way to go everyone!

CONFESSIONS FOR WINNING CHILDREN

Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you.

When I obey my parents, I am obeying God. I am always happiest when I obey! When I'm listening to Mom and Dad, I am walking in God's will. God can protect me! He can keep me safe and give me long life. Thank You, Lord, for Your power helping me to obey. I am blessed, and I'm a blessing!
