FALL UNIFORM ORDER

SCIENCE ACADEMY

Jennifer Nations of the City of College Station Utilities Water Service for our Science Academy September 21st. Her presentation dealt with water and wastewater. She talked about how important our water is, how to conserve it, and how it is cleaned and distributed to the entire city. The students really enjoyed the demonstration of the water cycle. It was fascinating to see a pollutant added to a well travel through the groundwater, then to a river or lake far away.

THANKSGIVING DINNER AND DESSERT AUCTION

We will be signing up volunteers at our next FOC meetings. We will have a new procedure for our next meeting. We will actually be having two identical meetings. The first meeting will be at 3:15 in the chapel for parents who are coming to pick up their children then anyway. The children can stay in extended care during the meeting. Please pick them up quickly after the meeting.

Then we will have the regular 6:00 meeting for those who could not come during the afternoon meeting. Childcare will be provided as usual. This is a very important meeting as we are preparing for our Thanksgiving Feast. Attendance is greatly appreciated.

CONFESSIONS FOR WINNING KIDS

Virginia Kite has written a book entitled 365 Confessions For Kids. There is a scripture reference followed by a confession made from that particular scripture for each day of the year.

**I have set before you life and death, blessing and cursing; therefore choose life...cling to Him, for He is your life and the length of your days.
Deuteronomy 30:19, 20**

God has given me a choice:
Life or death, blessing or cursing.
Living for the devil is a curse.
Serving God is life. I CHOOSE LIFE!
Sorrows come to those trapped by the devil. Blessings come to those who obey the Lord.
I CHOOSE BLESSINGS!
I will cling to the Lord my God.
He is my life and my joy!
I will serve Him with a happy heart forever!
