

CCA COUGAR CHRONICLE

October 8, 2007

OCTOBER

11-FOC Meetings (3:15/6:00)
12-No School/Columbus Day

FRIDAY LUNCHES-OCTOBER

12-Columbus Holiday
19-Chicken Express
26-Pepe's Tacos

KINDERGARTEN KORNER

The phonics letter learned in Kindergarten was the letter Hh. Kindergarten enjoyed making (cookie) hamburgers for the letter Hh. The bun was Vanilla Wafers. The meat was a mint chocolate cookie. The students got to pick mustard, lettuce and ketchup for the hamburger from colored icing.

In Math, the class is still learning the teen numbers. The Community Helper this week was the baker. Samuel was the Bible hero this week. Ask the Kindergarteners to tell you facts about Samuel. Also, please notice the fall bulletin board in class. They worked hard making pumpkins and scarecrows.

FIRST GRADE FUN

The first graders began their Spelling unit and practicing short vowel sounds. They are counting money, so at the grocery store, see if your child can count the change!

In Science, they did an experiment with classroom objects to see what floats and what sinks. If you don't mind getting wet, let your child find objects around the house and do the experiment at home. The Bible lesson was on Joseph and Jericho. Have your child sing the song for you and tell you about the story!

THANKSGIVING DINNER AND DESSERT AUCTION

A volunteer sheet is being sent home with this newsletter. Look over it and see where you would like to volunteer. Then bring it with you to the FOC meeting, Thursday, October 11th. We will be signing up volunteers at both of the meetings. You have your choice of a 3:15 meeting or a 6:00 meeting, both in the chapel.

Also, if your child brought home a sheet asking you to visit businesses to find desserts for the dessert auction, please bring your information to the FOC meeting as well. If you will be unable to attend the meetings, then please send a note letting us know if the business is willing to donate a dessert. Don't forget to add on there if you, your relatives, friends, or neighbors are going to contribute desserts as well.

EVERY MINUTE OF EVERY DAY ALL TO THE GLORY OF GOD!!

THANKSGIVING TICKETS

The students will be receiving tickets to sell for the Thanksgiving Feast soon. Each child will receive ten tickets to sell, 15 per family. If you are unable to sell your tickets, there will be a table set up in the church before and after services in order to sell the tickets to members of A&M Church of Christ. If you need more information about this, please ask your teacher.

FALL UNIFORM ORDER

Uniform orders are due **Thursday, October 11th**, due to no school on Friday, October 12th.

SCIENCE ACADEMY

There was no Science Academy Friday, September 28th, due to the early release and parent conferences.

CONFESSIONS FOR WINNING KIDS

Virginia Kite has written a book entitled 365 Confessions For Kids. There is a scripture reference followed by a confession made from that particular scripture for each day of the year.

...bearing with one another, and forgiving one another. If anyone has a complaint against another...

I won't let people upset me!
Things that others do will not make me complain.
I'll just forgive and keep smiling.
That's what Jesus does!
When I live in forgiveness,
God's peace can rule in my heart!
His peace overcomes all circumstances!
