

# CCA COUGAR CHRONICLE

## October 15, 2007

### COUGARS OF THE WEEK

### KINDERGARTEN KORNER

The Kindergarteners are doing so well with phonics that they learned two letters this week! They learned the letters Ss and Cc. They are all doing well reading three letter, one vowel words. The students get so excited as they realize that they know how to read. A whole new world is opening up to them!

Kindergarten learned facts about Christopher Columbus. Parents, ask your child to sing you the Columbus song. They also studied the life of David in their Bible time. They learned the story of David and Goliath and also how David became king of Israel.

Although it does not always feel like it, fall has arrived! The Kindergarten class has been discussing the Fall season and all that takes place.

### CRANBERRY SAUCE

Good news! The food for the Thanksgiving meal has been donated. Now we need cans of cranberry sauce. **We are asking all students to bring one can of cranberry sauce apiece.** Thanks!

### THANKSGIVING VOLUNTEERS

Thank you so much to all of you who attended our FOC meetings! We filled up most of the volunteer positions. For those of you unable to attend, we still have a few openings. We need some men to help set up the tables Sunday morning beginning at 10:00 am. We also still need servers, and someone to help decorate, as well as those who would be willing to help clean up after the event is over. Please send back the slip at the bottom of the newsletter if you would like to volunteer for any of these positions.

### THANKSGIVING TICKETS

The students have received tickets to sell for the Thanksgiving Feast. Each family has received fifteen tickets to sale. If you are unable to sell your tickets, there will be a table set up in the church before and after services in order to sell the tickets to members of A&M Church of Christ. Students who sell all of their tickets will be given a NO UNIFORM pass. If all the tickets are sold, then Mrs. Ligon will allow all the students and teachers to have a day off from school! If someone buys your tickets as a donation for shut ins, please write DONATION on your ticket before you turn it in. If you need more information about this, please ask your teacher.

# EVERY MINUTE OF EVERY DAY ALL TO THE GLORY OF GOD!!

## DESSERTS

We would like to sell some individual desserts this year during the Thanksgiving dinner. We need some volunteers to bring individual bags of cookies, slices of cake, slices of pie, etc. wrapped in cellophane to sell during the meal. Please let us know if you would be willing to donate these items and about how many individual items you will be able to bring.

This year we will be having a silent auction for desserts as well as the live auction. When signing up to bring desserts, be sure so specify whether you would like your dessert in the live or silent auction.

If you were asked to contact a business, please reply back as soon as possible, to let us know if you have secured a dessert. Even if the business has declined, please let us know.

## SCIENCE ACADEMY

Science Academy on October 5<sup>th</sup> was presented by Joanna Tompkins, RN. She explained how cold germs are spread and that the best way to prevent the spread of these germs is by washing your hands with soap and water often. The children learned that one sneeze can send germs up to 10 yards away! So, it is very important to cover your mouth when you sneeze. Hopefully this will help our students prevent the spread of these germs in our school!

## CONFESSIONS FOR WINNING KIDS

**For where envy and self-seeking exist, confusion and every evil thing will be there.**

**James 3:16**

Strife is a work of the devil.  
Being selfish leads to arguments.  
Wanting my own way leads to anger.  
I make up my mind not to let strife in my heart.

I resist the devil's work!

I am loving. I think of others more than myself.

I won't play the devil's game!

By walking in love I'm already a winner!
